WHAT TO EXPECT

Hi there, I'm Amber! I have been creating beautiful memories as a photographer for over 10 years. I work hard to make sure my clients have a stress free experience while I capture the beauty of their little ones at my commercial studio space in downtown Swartz Creek, MI.

BOOKING A SESSION

Congratulations! You're about to have a baby, and I am so excited to be considered for your maternity portraits! Before reserving a session with me, here is everything you need to know about my maternity photography pricing packages, session details, and more...

Once you have paid the \$100 non refundable retainer and signed your photography agreement, we choose lock in your session date on my calendar! It is best to schedule early so that we have time to plan your session details. This also gives me time to order backdrops or rent gowns if you have a specific vision. The sweet spot for being comfortable tends to be right around 28-32 weeks. This can vary among each client and their comfort or at what stage they want their bump captured.

Maternity sessions take place in my studio downtown Swartz Creek, Michigan, or in warmer months we can choose a beautiful outdoor location. All of my maternity sessions include access to gowns in my client closet, you will get a chance ahead of time to come in and try any on if you'd like.

Proof galleries are ready for viewing within 1-2 weeks after your session takes place. Once your proofs are ready, you will choose your digital images as well as be able to order print products such as wall art or albums. After your selections are finalized, I will then fully retouch all of your selected images and you will receive your edited image gallery within 2-3 weeks of viewing session.
