WHAT TO EXPECT

Hi there, I'm Amber! I have been creating beautiful memories as a photographer for over 10 years. I work hard to make sure my clients have a stress free experience while I capture the beauty of their little ones at my commercial studio space in downtown Swartz Creek, MI.

BOOKING A SESSION

Since your baby's arrival will likely be unpredictable, I recommend getting your newborn session on the books 6-8 weeks prior to your due date. I only book a few newborns each month to ensure availability. If your new bundle comes a little early or later than planned, I will still find a place on my schedule to make sure you get those first precious moments captured!

Once you have paid the \$100 non refundable retainer and signed your photography agreement, your due date goes onto my calendar! Get in touch once your baby arrives so we can prepare for your session to take place, ideally within the first 15 days. Newborn sessions take place in my studio downtown Swartz Creek, Michigan during weekdays at 10am. I do ask that siblings only attend if they are being photographed as part of your package. I do family at the beginning so that a parent or another adult can make arrangements to take the older sibling out of the studio after their portion is complete to maintain a quiet and safe workspace.

Proof galleries are ready for viewing within 1-2 weeks after your session takes place. Once your proofs are ready, you will choose your digital images as well as be able to order print products such as wall art or albums. After your selections are finalized, I will then fully retouch all of your selected images and you will receive your edited image gallery within 2-3 weeks of viewing session.
