

2024 MILESTONE SESSION GUIDE

WHAT TO EXPECT

Hi there, I'm Amber! I have been creating beautiful memories as a photographer for over 10 years. I work hard to make sure my clients have a stress free experience while I capture memories on location and at my commercial studio space in downtown Swartz Creek, MI.

BOOKING A SESSION

There's no sweeter way to remember the highlights of your baby's first year than with a milestone session. From the personalized setups to the adorable outfits and all the tiny details, each session is crafted especially for your little one's journey. Most clients opt for milestone sessions around 3, 6, 9, & 12-months to capture those precious moments leading up to their first birthday. Choose to book a session for all the milestones or just one or two. Milestones are not just for babies but also a great way to celebrate a birthday and growing a little older, stop time by incorporating your child's favorite things.

Milestone sessions create portraits you will always treasure and remind you of just how little they were and how quickly they grew. When it comes to products, I've carefully selected high-quality options, so you can proudly display and share your senior portraits. Consider putting together an album of photos from newborn to 1 year from multiple milestone sessions to always have those memories at your fingertips.. Once you have paid the \$100 non-refundable retainer fee & have signed your photography agreement, the date we have chosen will then be secured on my calendar.

Proof galleries are ready for viewing within 1-2 weeks after your session takes place. Once your proofs are ready, you will choose your digital images as well as be able to order print products such as wall art or albums. After your selections are finalized, I will then fully retouch all of your selected images and you will receive your edited image gallery within 2-3 weeks of viewing session.
