## WHAT TO EXPECT

Hi there, I'm Amber! I have been creating beautiful memories as a photographer for over 10 years. I work hard to make sure my clients have a stress free experience while I capture memories on location and at my commercial studio space in downtown Swartz Creek, MI.

### BOOKING A SESSION

*Picking the perfect photographer for your high school senior portraits is a big decision because these photos capture a special time in your life. With over a decade of photography experience, I'm here to make this journey both enjoyable and memorable for you. During our sessions, my top priority is to make you feel completely at ease. I want your true personality and natural expressions to shine through every shot. From helping you choose the right outfits to suggesting fantastic locations, I'm here to guide you every step of the way. I suggest booking at least 6 - 8 weeks in advance so we can have time to plan.*

*I take your senior portraits seriously, using top-notch professional gear to capture clear, sharp, and beautifully exposed photos with true-to-life colors. When it comes to products, I've carefully selected high-quality options, so you can proudly display and share your senior portraits. Once you have paid the \$100 non-refundable retainer fee & have signed your photography agreement, the date we have chosen will then be secured on my calendar.*

*Proof galleries are ready for viewing within 1-2 weeks after your session takes place. Once your proofs are ready, you will choose your digital images as well as be able to order print products such as wall art or albums. After your selections are finalized, I will then fully retouch all of your selected images and you will receive your edited image gallery within 2-3 weeks of viewing session.*
